SECRET

JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Friday - 28 July 1972

1. (Secret - JGO) I met with Mr. Ralph Preston, House Appropriations Committee staff, as a followup to his request of last Monday concerning the Committee's request for a paper on the cost of tactical intelligence activities. In accordance with information received from Mr. John Clarke, IC, I told Mr. Preston the Director and Dr. Albert Hall, Assistant Secretary of Defense (Intelligence), met this morning and that Dr. Hall is prepared to brief the Committee on the cost of tactical intelligence activities when he comes before the Committee. Mr. Preston responded that Dr. Hall's appearance before the Committee is subject to scheduling when Committee time is available. In any event, if Dr. Hall is to appear before the Committee, the paper is needed in advance for study so that the information provided can be discussed with him. See Journal of 24 July. Mr. Tweedy, D/DCI/IC, has been advised.

2. (Confidential - JGO) Met with Mr. Harold Gould, House Science and Astronautics Committee staff, who told me that Representative Don Fuqua (D., Fla.), Chairman of the NASA Oversight Subcommittee, is planning briefings on Government-wide space activities for the full Committee probably early next year. Mr. Gould inquired whether the Agency would provide a briefing in executive session on the Soviet space activities for the full Committee at that time. I refreshed his recollection that the Chairman had limited previous briefings of the Committee to selected Subcommittee Chairmen and others due to particular problems the Chairman had within his own Committee. If it is the Chairman's desire for briefing of the full Committee, I thought the Director would provide such a briefing. Mr. Gould stated there was no need to formalize the request any further at this time. Mr. Duckett, DDS&T, has been advised.

I briefed Mr. Gould on current Soviet space activities.
